SIR:

PETITION TO REVIVE ABANDONED APPLICATION

UNDER 37 CFR §1.137(b)

This is a petition under 37 CFR 1.137(b) to revive an abandoned application where the delay in reply was unintentional.

The applicants received a restriction requirement dated December 3, 2003. The restriction requirement was received in the Holmdel, New Jersey office of the Docket Administrator of Lucent Technologies Inc. and dated-stamped on December 9, 2003. Lucent Technologies Inc. is the former assignee of the instant invention and former employer of the applicants. However, the restriction requirement was not received by the Norcross, Georgia office of Fitel USA Corp., the current assignee of the instant invention, until after January 3, 2004. The application went abandoned January 3, 2004, which date is 1 month from the date of the restriction requirement.

The applicants intended to continue the prosecution of the instant case by filing a response to the restriction requirement in a timely manner, which

response would have been timely if filed before January 3, 2004. Had the applicant's attorney received the restriction requirement prior to the date of abandonment, a timely response would have been filed. The response to the restriction requirement, along with a change of correspondence address, is included herewith.

The applicants respectfully request that the application be revived and that prosecution continue with the response to the restriction requirement filed herewith.

Please charge Deposit Account No. 50-2074 in the amount of \$1330.00 to cover the cost of the petition fee as set forth in 37 CFR 1.17(m). Any deficiency or overpayment should be charged or credited to Account No. 50-2074.

Should the Examiner have further questions or comments with respect to examination of the case, it is respectfully requested the Examiner telephone the undersigned attorney so that further examination of this application can be expedited.

Respectfully submitted,

Kai H. Chang
David Kalish
Thomas John Miller
